SAN FRANCISCO, CA—January 31, 2016—In its sixth season of free monthly dance performances in San Francisco City Hall's extraordinary rotunda, Dancers' Group and World Arts West are once again partnering to bring audiences lunchtime glimpses into movement and musical traditions from around the world.

On March 4, 2016, the Rotunda Dance Series continues with a performance by the Lily Cai Chinese Dance Company. The company will present two works: a world premiere created especially for City Hall's rotunda, transforming the traditional style of Chinese dance into contemporary movement; and *Silk Cascade*, a piece inspired by the action painting of Jackson Pollock and the strokes of Chinese calligraphy with the cascading colors of silk ribbons.

The 2016 Series will highlight many cultural traditions from across the globe, including March's performance of traditional and contemporary Chinese dance, historic European and American social dances, all-female hip hop, and clogging, among others.

The high-profile Rotunda Dance Series brings many of the Bay Area's most celebrated dance companies to San Francisco City Hall's rotunda space for free monthly noon-time performances. The series is presented by Dancers' Group and World Arts West in partnership with Grants for the Arts and San Francisco City Hall.
